2. As you may recall, I had discussed this case by telephone with you earlier this month. It is not known definitely at this time whether [REDACTED] will be on board by 1 April; however, we would appreciate his daughter's application being processed for summer employment. In addition, it would be desirable, as you had indicated would be possible, to have the usual tests given to summer only employees administered to [REDACTED] in the Los Angeles area.
